

AKRON SD+ C76401-13

Size: 4-14 & 4½-10½

Height: 4" / 10 cm

Colour: White (13)

Width: W

- Water-repellent Sanyderm leather upper with antibacterial sanitized treatment, preventing the proliferation of fungi and bacteria.
- Sany-Dry 100% polyester lining, three-dimensional, breathable, antimicrobial, absorbent, moisture wicking and abrasion resistant.
- Soft-Bed removable insole made of scented polyurethane, anatomical, antistatic, perforated, and comfortable. The fabric upper layer absorbs moisture and keeps the foot dry. Insulation against the cold and heat.
- Anti-slip and ultralight PU outsole.
- Steel toe cap.
